TO THE EMPLOYEES  
OF  
RAUH BROTHERS & COMPANY

The two remaining partners of Rauh Brothers & Company in memory of their late brother, Enoch Rauh, wishing to do honor to his memory in a fitting manner, have authorized and approved a group Life Insurance Contract with The Equitable Life Assurance Society of the United States, by which all of their employees who have been with the firm for more than one year, will be protected from this date by Life Insurance, as follows:

- To employees one year and less than five years in service; \$500.00.
- To employees five years and less than ten years in service; \$1000.00.
- To employees ten years and less than fifteen years in service; \$1500.00.
- To employees fifteen years or more in service; \$2000.00.

The policies will be presented to you as rapidly as they can be prepared, but the Insurance will take effect from this date. You will receive an additional policy automatically as the term of service increases from one group of years to another.

In the hope that this expression of our esteem for you will be received in the spirit in which it is tendered, we are,  
Sincerely yours,

*Marcus Rauh*
