

# Temple Israel

NEW CASTLE, PA.

Founded in Memory of Rabbi J. Leonard Levy  
and Dedicated to God

...Hear Ye, My People...

A topic of grave interest to you,  
And to every thinking Jew  
Of our age I will expound;  
With "The Jazz Singer" as a background.  
I will speak of "Old and New";  
How to reconcile the two,  
To God's glory and joy of men,  
The growth of the Jew and his ken.  
Friday night, the eighteenth of November,  
Is the date you should remember.  
Bring yourself and bring your kin,  
Temple Israel is open for all to come in.

Cordially yours,

Rabbi
