Pittsburgh, Pa.

My dear Mr. Rauh:--

I was delighted when I opened the morning paper to see the character of the men selected by the Governor for the new Pittsburgh Council. Allow me to congratulate you upon the honor of being selected as one of the number, for I consider it no small honor to be chosen for such an important position at such a time and with such capable associates. I hope that all the men appointed will see their way clear to accept the position, for in their hands I am sure that the citizens of Pittsburgh who have at heart the good of the community and who desire to see the welfare of the city advanced, would feel that the city's interests are in the hands of capable, efficient and honest men.

Sincerely

HJH/EB.
