Dear Ida

I arrived safe last night & found
every body well thank God.

I had a nice trip & had a much
better night's rest than if I would be on
the train. There is nothing new otherwise

I thank you very much for your
hospitality. I did not see Lew yet
I will try to locate him as soon as I
can. Rememb me to Charles & Francis
I was certainly very glad to find them in
the improved conditions. I think they both look
much better, and they are certainly fine kids.

Rememb me also to Goldie & his family
with best wishes from all of us
Yours lovingly
Sol
